Services supported by

# Melton Mowbray Bus Network

“I am pleased to present your timetable to a new and improved bus network for Melton Mowbray.

“The new and amended services will provide greater transport links for rural communities, town centres and new developments across Melton, and we hope you benefit from increased access to essential amenities like education and healthcare services.

“The government funding for this Bus Service Improvement Plan has allowed us to explore new transport options and create trials for services that serve neighbouring communities to increase transport links across Leicestershire.

“These are exciting times, and I hope you hop on board for the journey to take advantage of our offering.”

Councillor Ozzy O'Shea,  
Cabinet Member for Highways and Transport
